AUSTIN TEXAS  
INTER-OFFICE

**TO:** WIC Regional Directors  
WIC Local Agency Directors

**FROM:** Barbara Keir, Director  
Division of Public Health Nutrition and Education  
Bureau of Nutrition Services

**{Original Signed}**

**DATE:** April 24, 2003

**SUBJECT:** Infant Midpoint Review Form (WIC-RO5)

---

The Infant Midpoint Review form is in the process of being revised. It has come to our attention that the words *or will have* are missing in the first sentence in Section II regarding an infant's well-child infant check up appointment. In addition to correcting Section II, we are replacing *CPA signature* with *Signature of Certifying Authority or WIC Certification Specialist* in Section III. The form revision date will be 4/2003.

You may continue to use the current 10/2002 form until your supply is depleted and allow parents, guardians or caregivers to provide future well-child check appointment dates. The TDH warehouse will be depleting the warehouse supply before restocking with the 4/2003 form.
